

## **Deanery Synod 23<sup>rd</sup> June 2022**

### **Report of Deanery Treasurer**

My apologies for not being with you this evening but we are visiting Liverpool with friends on a long-standing arrangement.

Even though we are 6.5% up on our 2021 payments at 31<sup>st</sup> May there are still PCC's that have paid nothing.

Can I please promote a gentle reminder to all our parish treasurers to do their absolute best to have paid at least 50% of their agreed Centenary Share by 30<sup>th</sup> June?

If I can be of any help at any time to talk through financial matters then I am happy to do so.

My contact number is 01473 738831.
