

Thursday 23 June 2022 Deanery Synod Butley Village Hall

Update on progress of [www.woodbridgedeanery.org](http://www.woodbridgedeanery.org) website  
Now published but hidden from the SEO search engines until we're ready  
You'll find it now on your laptops or phones . . . **FEEDBACK** please

Logo to identify us = Woodbridge Deanery *Network of Churches*

Purpose - at a previous meeting we decided this website is primarily for us in the deanery rather than the general public. To share information and activities.

**Homepage** - has tonight's meeting but we probably need an introductory piece from Rural Dean and Lay Chair or suggestions . . .

**Deanery Churches** - individually captioned photographs to show us listed A to W, Alderton to Woodbridge, to build on the idea of us being one group as well as the five smaller groupings which are listed below the photos with a link to A Church Near You if you need to find contact details or directions.

**Deanery Events** - a noticeboard - at the moment with only Great Bealings and Woodbridge events but please send me your posters for July and August and future dates.

**Walks** - this came from the idea of having Deanery Pilgrimages.

Walk 1 is a wonderful route devised by Tony Allwood of 8.5 miles which includes a church from all five of our church groupings - from Great Bealings to Eyke via Hasketon, Boulge, Bredfield and Ufford

Walk 2 is the Circular Shottisham Cluster walk from an Angels and Pinnacles leaflet. Both are downloadable

**Agendas & Minutes** - speaks for itself. Do we want to have finance information on there as well . . . ?

**Environment & NZC** There'll be huge amounts of information going on this section - the Diocesan Towards Net Zero Carbon poster and booklets are downloadable and I've also included other useful website addresses  
Eco Church, Season of Creation, Creation Care, Green Christian, Churches Count on Nature . . .

**Sub page** EcoChurch by ARochaUK - a link to their survey and an overview of the many resource leaflets that can be downloaded from their website

**Contacts** - has Linda's email address, ACNY website and an email for me as webmaster which is my [webmaster@stmaryswoodbridge.org](mailto:webmaster@stmaryswoodbridge.org)

**PLEASE** send written document **both as .doc and as .pdf**  
and posters as **.pdf .png or .jpg**

Many thanks in advance.
